BATMAN REMEMBERS CATWOMAN PT2

BATMAN REMEMBERS CATWOMAN PT2
BY
CLARK KENT [PRESIDENT OF THE DAILY PLANET NEWSPAPER]

In the suburbs of GOTHAM CITY stands WAYNE MANOR,home of BRUCE WAYNE, expert DOMINO champion ,president of WAYNE ENTERPRISES and MULTI-BILLIONAIRE and art critic for friends of GOTHAM CITY .

In his main reception room , sitting next to a roaring fire surrounded by portraits in genuine oils on oak panelled walls ,Bruce Wayne is looking at the day's schedule while scanning the morning papers .

ALFRED Aunt Agatha for you master Bruce.

His manservant ALFRED PENNYWORTH lets in a middle aged woman who crosses a persian rug to the fireplace and is greeted by Bruce .

BRUCE WAYNE How nice to see you, looking so much better after your holiday. .

AUNT AGATHA Yes Bruce the cruise around the virgin islands was fabulous darling , and I recovered from dental treatment and all the while I was thinking of JACOB.

BRUCE WAYNE He is in tip top condition with the run of the whole estate.

AUNT AGATHA I want JACOB to win the cat show at GOTHAM CITY exhibition centre..

He gives his aunt a chair and asks Alfred to page his youthful ward Dick Grayson.

Alfred leaves the back through the conservatory to the back of the estate , where he hears a shout from the perimeter and walks towards the source along crazy paving .

Dick is sitting under a horse chestnut tree with JACOB, aunt Agetha's cat

perched on his leg with headphones on.

DICK GRAYSON I can hear you Alfred ,walk towards me .

ALFRED Realy master Dick how can you hear me ?.

DICK GRAYSON With these new high pick up audio device, I can hear the couple next door arguing about a shopping trip from here .

ALFRED Agetha has arrived to take the cat to the pet show.

DICK GRAYSON Can you get the cat basket from the garage and I'll come in.

He strolled through the carpet of horse Chestnuts with the cat perched on his shoulder and heads for the garage .

ELSEWHERE at the art college Phil is waiting patiently for the end of class as DIANA BUNKER walks the length of the room handing out assignments.

PHIL GREEN I wondered if you'd pose for me Miss ?

SARAH DOUGLAS And whats wrong with your wife posing for your oil painting Phil .

PHIL GREEN VARIETY IS THE SPICE OF LIFE SARAH .

DIANA BUNKER I expect this assignment ready for when the vice chancellor comes to visit on Monday Mr Rucket. No Phil you find your own model to pose for you .

Mr GREEN packs his belongings in his duffel bag then weaves through the student body along a brightly lit corridor to a stairwell and down to the back of the building , collecting his bike.

He puts down his duffel bag and unlocks the bike as Diana Bunker comes along with a green plastic anorak and a feather duster, on her way to the car park.

Phil rides out the main gates and takes a left and then into the grounds of the MERRY FIDDLER PUB, where he locks his bike and enters.

There is a healthy trade of people enjoying an afternoon pint and his attention is drawn to a large fireplace, where a man is singing an old sea shanty in a laud deep rumble

Haddock RAMBLIN WRECK FROM GEORGIA TECH WAS A HEC OF AND ENGINEER

Get me one of those chairs James, these old sea legs are getting stiff and the open fire is too hot.

James comes over from the bar with a stool and places it next to the Roaring fire .

JAMES I'm still worried about snowy .

OLD NICK He's got lost in this large city and we'll never find him.

HADDOCK That mut has been on board the JOLLY ROGER for two weeks and wants to stay on dry land ,for the rest of his days i recon.

OLD NICK You won't see him again now you go and refill our glass's .

Phill seizes his moment and walks up to the HADDOCK and OLD NICK .

PHILL GREEN If you're worried about a lost pet then I'm an experienced pet detective ,I can show you where the DOG POUND is .

He show's the two weary seamen his card.

HADDOCK This card is for SPATULA VILLAGE, a hardware store in the high street shipmate.

PHILL No this one .

He says snatching the card out of the captain's hand and replacing it with PHIL GREEN pet detective.

CAPTAIN HADDOCK If it will stop you from worrying lad I'll come with you and Phil here .

OLD NICK It's taken you long enough to get your sea legs and you're your all of a dither.

PHILL I'll take around the local dog pound .

JAMES LETS GO .

PHILL I work at SPATULA VILLAGE in the evenings, for people who need frying and barbeque utensils .

Meanwhile over at the community centre the annual pet show has started the obstacle course .

BRUCE

WAYNE GO

HENRY

DICK GRAYSON opens the cat box and HENRY comes bounding out and towards the first hurdle leaping over the fence and then jumping the catnip wall and clawing his way up then through a water barrel. Dick running alongside him then kneels down and shouts encouragement . The cat leaps across a small tray of water bounding over the finish line to a cheering crowd of GOTHAM CITY spectators .

As dick shows HENRY to the judges panel bruce's phone rings .

BRUCE WAYNE YES ALFRED

ALFRED COMMISSIONER GORDON has just phoned saying there's been a theft at the hall of ancient antiquities.There prize exhibit from the egyptian section .

BRUCE WAYNE Great Scott that's cat woman's leather jacket passed down through the family from the famous SCARMAN EXHIBITION OF 1907 .

ALFRED Precisely master Bruce and he wants you and the boy wonder over at the museum immediately.

BRUCE WAYNE Me and Dick will come back right now.

ALFRED I'll come and pick up AGATHA and HENRY.

Bruce Wayne and dick Grayson drive home to stately Wayne manor ,and DICK presses a button on the dashboard for Iron gates to open and BRUCE drives straight up the driveway into the garage .They clamber out of the FORD ORION, then take a side entrance through there pantry and kitchen into a reception area . The Oak panelled reception room is dominated by a bust on a wooden plinth with a Bell jar resting in the centre .BRUCE uses an entry codec then pulls the head of GEORGE WASHINGTON aside .A book case slides aside to reveal firemans poles emblazoned with their names on them and BRUCE and DICK, run towards the poles leaping onto them and sliding down into the bat cave , stopping on a ledge half way down to change into their costumes, and then run through a bank of computer banks into a customized vehicle they've named the Batmobile .

ROBIN TURBINES TO SPEED .....Batman guns the engine and the car charges out of the batcave alonge a tunnel into the grounds of the estate , then Bruce presses a CODEC on the dashboard ,a boulder at the back of the estate retracts and they drive onto the highway towards GOTHAM CITY .

BATMAN The scarman exhibition was SELINA kyle's obsession . She's only just got over her last bought of nymphomania and now this.

ROBIN Yes it's so true , .

BATMAN I want to get the artifacts from KING TUTS tomb back before she finds out.

At the HALL of ANCIENT ANTIQUITIES, GORDON and O'HARA arrive in police panda cars, instructing officers to get statements from witnesses .

GORDON It's undeniably the work of the arch criminal PENGUIN.

OFFICER MURPHY comes around the corner ,past a fire hydrant, carrying a small CURLY HAIRED SPANIEL dog, with oaty ginger main of fur .,

OFFICER MURPHY I saw the Gang escape and it was comical the way this small dog grabbed a hold of one of them by the leg nearly making the perp in black trousers and striped jumper ,wearing a half mask like ZORO, drop the costume from KING TUTS TOMB .

HE hands the CURLY HAIRED SPANIEL to CHIEF O'HARA, who gives it to a junior officer to take to the dog pound .

COMMISSIONER GORDON Clearly it grabbed one of the henchmen as they made there getaway .

CHIEF O'HARA Eye witness reports that the gang came from this sewer cover and escaped the same way , the course of the river runs straight under the main road, and from here they could escape in different directions.

The BATMOBILE screeches to a halt outside the HALL of ANCIENT ANTIQUITIES and they clamber out and step onto the sidewalk next to the police joining commissioner Gordon .

GORDON Well done Batman, you made it before the 6 o'clock news.

O'HARA A party of Guests were locked in while the gang made their getaway.
GORDON When we arrived we found this dog outside .
O'HARA Eyewitnesses say he attacked one of the criminals as they made their escape.
GORDON The gang left the hall of ancient antiquities and ran along until they disappeared into the sewers. From there the trail goes cold apart from this piece of cloth torn off the hench man carrying the prize.
BATMAN I want to get that piece of cloth back to my laboratory for analysis .
ROBIN But there's oaty ginger fur, and saliva .
BATMAN An ancestor of mine taught me that once you've eliminated the impossible whatever remains must be the truth .
ROBIN In other words, that said only lead .

IN THE BATCAVE*
BATMAN If my analysis is correct robin this cloth came from someone residing near the harbor.
ROBIN Let's continue our investigation there .
They walk through a bank of computer Banks flashing and analyzing readouts from sensors in locations around Gotham City and clamber into the custom built car BATMOBILE.
BATMAN TURBINES TO SPEED .
The Batmobile speeds through a tunnel into the grounds of the estate .
ROBIN uses a CODEC on the dashboard and a boulder slides back near the perimeter wall .
BATMAN zooms onto the highway skirting Gotham City heading for the Harbourside .
At the harbour he stops adjacent to the warehouses which are opposite the docks where boats are berthed, after bringing freight and heavy goods from around the globe .
In a warehouse across the road that runs around the joining the coastal road, one of the penguins henchmen , FINGERS ,wearing charcoal grey trousers, black plimsolls ,jumps down a man hole cover as BATMAN and ROBIN start investigating all the warehouses .FINGERS shleps through sewers to report to the PENGUIN .
ROBIN HOLY JUMPING CATFISH.
BATMAN Found anything ?
ROBIN I'm picking up the gang from underneath that hatchway .
BATMAN and ROBIN open a side door in the warehouse with a crow bar and over the bare concrete floor to a manhole cover .They push the crowbar into the side of the hatch , and BATMAN climbs down a ladder and jumps the last few feet

to the ground.
BATMAN That's torn it robin .
ROBIN WHAT ?
BATMAN my new uniform, jump down carefully.
ROBIN Commando tactics or shall we announce ourselves this time?
.BATMAN Just follow me Robin.
They wade through the sewers until it connects with a cathedral size cavern and immediately take in the scene before them .Motion detectors set off an alarm waking the penguins gang.
Penguin Well if it ain't the batman and boy wonder mates just as the sun is rising and we is making a clean getaway.
CATWOMAN Get me out of here batman .
ROBIN Why you she devil the nymphomania worn off .
BATMAN And so close to your family leather jacket that has stimulated your family since the PHARAOHS .
Catwoman Power you barely understand or the boy wonder, OSIRIS
The ancient jacket starts to rise from its display case and fly towards the dynamic dio entangling them in its arms .
CATWOMAN HA HA I'm back with the boy's again .
They escape and follow the penguin out where he climbs aboard a small boat and rows towards the jolly roger .

LATER ON CAPTAIN HADDOCK Is making ready to set sail out of the harbor with his new friends Phil and his wife Margery enjoying the cool evening air when the PENGUIN rows up with CATWOMAN.
PHILL See Mirium you should stop worryings I said I'd be home this evening.
PENGUIN Ahoy there were are shipwrecked mariners .
CATWOMAN May we come on board , we've been rowing for hours and we're exhausted
Invigorated with the new power of OSIRIS catwoman overpowers Phill and Miriam and the penguin threatens captain haddock with his poison dart umbrella
PENGUIN Unless you want to end up like old nick here start the engine
HADDOCK No way .
The power of OSIRIS is strong and the engines start controlled by the will of catwoman .
CATWOMAN The tomb of Osiris is in the Sphinx, where he was laid by his sister ISIS, in the centre of the GIZA pyramids , to the rights of Cairo.
BATMAN That ship it very fast robin we'll never catch it .
ROBIN it's a cinch , the bat speed boat is around the next jetty next to the

Queen Agnes Brown CATAMARAN .
BATMAN and ROBIN race along the jetty to the next birth and climb into the batboat . BATMAN turbines to speed .
The back boat speeds out of the harbour on an intercept course for the Jolly Roger a medium sized motorboat owned by CAPTAIN HADDOCK .
ROBIN manouvers alongside and BATMAN leaps over onto the deck of the JOLLY ROGER landing on top of MARGERY,
spilling a PINA COLADA on the deck .
PHILL GREEN UNHAND MY WIFE THIS INSTANT .
CATWOMAN OSIRIS
The sails come away from the mast, enveloping batman and catwoman's henchmen r and tie him to the mast .
BATMAN The power of OSIRIS is strong CATWOMAN, but remem your family .
CATWOMAN My family died when they came back from EGYPT .
BATMAN That's not true SELINA, MICHAEL KIGARETH lived he's your grand father, not that HEADY SMEDLY SMYTH man who married your mother .
The five henchmen throw BATMAN overboard with CATWOMAN AND THE PENGUIN LAUGHING .
PENGUIN WELL DONE MEN ITS BACK HOME FOR SARDINE SANDWICHES
FINGERS YEAH BOSS .
BATMAN plunges into the choppy waters and back up to the surface,
choking for breath .
He activates his thermal underwear while ROBIN maneuvers the BATBOAT grabs his hand and hauls him aboard.He drops onto the deck of the speedboat .
ROBIN Your fighting hypothermia just hang in there batman.
ROBIN takes the wheel and activates hyperdrive to catch the JOLLY ROGER ,[we'll run out of fuel] BATMAN Head back to the harbor they could be anywhere across the west coast of the USA .
ROBIN 10-4
BATMAN I tried to tell her that her family understands and is willing to help but the power of Osiris was too strong .
ROBIN She's a girl for crying out loud man , how did she overcome you ?
BATMAN It was the power of Osiris .I was enveloped by the the sales of the jolly Roger and all the penguin's henchmen threw me over the side .
ROBIN We'll never catch them now .
At Gotham harbor and the dynamic duo get out and I greeted by Alfred Pennyworth the wrinkled retainer in Wayne enterprises Rolls-Royce and driven straight to stately WAYNE MANOR in the suburbs of Gotham .

BATMAN If you think i'm paying for the damages to one of GOTHAM CITYS best tourist attractions then you've got another think coming .
ROBIN I'll feed that PENGUIN sardines through the bars of ARKHAM ASYLUM .
BATMAN There's a whole family waiting to welcome SELINA KYLE , I was trying to get through to her when thePENGUINES henchmen threw me off the JOLLY ROGER .
ROBIN They'll be on bread and water at ARKHAM ASYLUM .
BATMAN But there is one clue .
ROBIN Put the coffee on ALFRED .
BATMAN When I jumped onto the forward deck of the JOLLY ROGER motorboat I accidentally jumped on a young woman and her husband quickly identified himself as Phil Green .I apologized of course .
ROBIN NATURALLY
BATMAN If I can if I can locate Phil Green he'll be with them .
ROBIN I'll check the telephone directory when we get home .
BATMAN Oh and there's one more clue the JOLLY ROGER is registered to a captain named captain haddock ring any bells .
Alfred pennyworth flips a CODEC on the dashboard of the ROLLS-ROYCE and drives straight up the path of WAYNE MANOR parking in garage next to a Ferrari .The dynamic duo clamber out and walk over there garage into side door to the pantry where AUNT AGITHA is loading supplies into a dumb waiter to send up to the kitchens .
AUNT AGATHA Oh I didn't expect you back so early master Bruce I'm just loading a cold collation into the dumb waiter
BRUCE WAYNE I appreciate that AUNT AGATHA but I've just lost a fight with a penguin, ALFRED be so kind as to help AUNT AGATHA put the supplies into the dumb waiter and I'll meet you in the lounge .
DICK GRAYSON Oh and Agatha have you got a telephone directory we want to find Phil Green pet detective .
ALFRED PENNYWORTH You better go to bed and take your medicine
BRUCE WSAYNE No it's you're normal combat training tonight dick
DICK GRAYSON I'll do it myself and watch the Discovery channel .
